Mr. Nicholas De Stefano
Leadership Development

Dear Mr. De Stefano:

I am grateful for the coaching assistance and professionalism you and Leadership Development have provided to assist me in reaching my business goals. Over the past six months, your coaching has helped me to: focus, clarify my business objectives, put them into the proper sequence, and execute. I have greatly improved my understanding of doing business, business language; and written and oral communication.

I am forever grateful for the resources you have provided to guide me to the right people to offer my products and services.

Please feel free to share these comments with other prospective clients. Thanks.
